Position: **Core Banking and Digital Integration & Development Officer**

Dear,

I am writing to express my interest in the **Core Banking and Digital Integration & Development Officer** position at Ahadu Bank S.C. I hold a degree in Information Technology and have practical experience in core banking systems, API integration, and digital solution development.

In my previous role at Gohbetoch Bank S.C, I successfully led system integrations and contributed to digital transformation projects that enhanced operational efficiency. I am confident my technical background and problem-solving skills make me a strong fit for this role.

Thank you for considering my application. I look forward to the opportunity to contribute to your digital initiatives.

Sincerely,

Getaye Aweke Bantihun
