Position: Frontend Developer

Dear,

I am writing to apply for the Junior Frontend Developer position at Web Craftsmith!. I have a solid foundation in HTML, CSS, JavaScript, and React, along with hands-on experience building responsive, user-friendly web applications.

I am passionate about clean code, continuous learning, and collaborating in fast-paced environments. I'm excited about the opportunity to contribute to your team and grow as a developer at Web Craftsmith!.

Thank you for considering my application. I look forward to the opportunity to speak further.

Sincerely,

Getaye Aweke Bantihun
